History:

Bellevue Memorial Park, (Ontario Cemetery Association), was founded in 1892 with three original shareholders, Charles E. Harwood, H. C. Oakley, and Dr. J.W. Oakley.

The name “Bellevue” was selected by Mrs. Oakley, who named the cemetery after a street in her home town of Ontario, Canada. The original by-laws of Bellevue Cemetery Association are dated May 24, 1891.

Many of the families who are largely responsible for what is Ontario is today, are interred at Bellevue Memorial Park—for instance, the Chaffey’s, the Milliken’s, the Atwood’s, the Armstrong’s and the Draper’s.

Since 1892 the cemetery has grown considerably, and today encompasses approximately 78 acres including 10 acres yet to be developed. The original Bellevue Mausoleum was constructed in 1915 and was expanded throughout the years. Sunset Mausoleum was completed in 2008.
Bellevue Memorial Park is a private, California State licensed, non-profit cemetery, operating with an Endowment Care Fund. The fund provides for the care and maintenance of the cemetery ensuring that the beauty of the park is preserved for generations to come.
